INTRO TO THE PUBLIC DOMAIN ENCYCLOPEDIA

The Public Domain Encyclopedia (or PDE) is dedicated to the lost treasures of the comic book industry that are freely available to all.

No cost, no charge.

It is aimed at readers, writers and artists that are looking for something different, be it totally unknown or fully recognizable to all.

We want PDE to be like a magic box whose content will change every time you take it in your hands to pull out something you haven't thought about.

Something that will amaze and entertain everybody, bringing long nights of creativity.

We do not dare to think that we will disclose secrets you don't know about, rather than provide a tool to improve the mindscape we all share, thanks to the creations of people that came before us and left characters and concepts we now can use as we please.

It will be an ever-improving work to which everybody can contribute with suggestions, comments and criticism.

Most of all, it is something we would like to share.

ABOUT BLUE MONKEY STUDIO

Blue Monkey Studio (BMS), established in 2010, is an Italian firm specializing in graphic design, illustration and publishing services.

BMS provides high-quality art and design to local, national and international clients at competitive rates, focusing on establishing a company's brand and corporate identity through a customized logo, mascot, letterhead, business cards and web design.

We also provide artwork for the education and edutainment sector, create book illustrations and comics, and develop character design, backgrounds and concept art for multimedia entertainment companies.

Publishing services include the complete management of a literary work from concept development and design to proofreading and editing.

BMS has the technical expertise and experience to create printed books and e-books to meet the formatting standards of international distributors such as CreateSpace, SmashWords, Lighting Source, Youcanprint, Kindle and IBook. We offer advisory services in all phases of the subscription and publishing process, as well as royalty management for non-US authors.

Proactive on an international level, BMS pursues European Commission financing opportunities and trains creative professionals to compete successfully in the international marketplace.

Our flexible, customized implementation process, based on the customer's specifications and feedback, gives us the ability to quickly manage multiple projects from different business sectors. We have satisfied clients around the world, and more than 85% of our clients do us the honor of returning for additional services.
